DISCOVERY PERIOD OPTION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PROFESSIONAL (NON-MEDICAL) LIABILITY COVERAGE PART

We will provide a Discovery Period Endorsement of 12 months duration for an additional premium of 200% of the annual premium for this policy if:

1. The policy is cancelled or not renewed for any reason other than non-payment of premium or amounts due us under the deductible, and
2. It is not replaced by a similar policy on a claims made basis.

You must give us a written request for the Discovery Period Endorsement within 30 days after the end of the policy period and pay us the additional premium due.

The Discovery Period does not extend the policy period, change the scope of the coverage provided or increase the Limits of Insurance. It applies only to "incidents" that occur before the end of the policy periods but not before the Retroactive Date, if any, shown in the Declarations for which a claim is first made within 12 months after the end of the policy period.

This insurance does not apply to any claim or any "incident", occurrence or offense which may result in a claim which you become aware of between the end of the policy period and your written request for the Discovery Period Endorsement.
